It is an accepted point of fact of history, and considered common knowledge that from the time of Abraham, , the Land of Canaan, and the territory of the 'Seven Nations' is considered the exclusive home and patrimony of and for the People of Israel. This is in fact, an eternal promise, acknowledged by the world, including and as represented by the defendants, from the Creator and Master of the World, the Gd of Israel, Who bequeathed the Land of Israel to the patriarchs Avraham (Abraham), YitsHaq (Isaac) and Ya'aqov (Jacob), and their descendants, His Chosen People, Israel. This promised was acknowledged and fulfilled when the Gd of Israel freed His People from slavery under Pharaoh, and delivered them out of the land of Egypt. The promise was further ratified at Mount Sinai, and in the plains of Moab and through the conquest by Y'hoshua (Joshua) son of Nun. The promise and title to the Land of Israel is eternally valid, and has no expiration.
4. Today there are approximately seven million Jews, descendants and rightful claimants of the patrimony. living in the western portion of the Land of Israel, including the area known as the Golan Heights. This represents the promised in-gathering of the exiles who have and are returning from the four corners of the globe. This return of the Children of Israel is historical proof that the promise's continued validity. In addition, there are approximately half a million self identified Arab residents, who are distant descendants of the seed of Israel, who lost or abandoned their national and religious identification through fear, and coercion from various foreign rulers and occupiers, including but not limited to the Roman, Byzantine, Persian, Arab, Crusader, Mameluke, Ottoman and British occupations.

It is to be recalled that during that period known as the Holocaust, wherein the expressed goal was the eradication of the Jewish People, many of the accused and associate organizations collaborated, assisted, facilitated, or failed to respond to the self same goal of the Nazis, to whit, the elimination of the Jewish People.

The accused, collectively and individually, have, in addition to the above, willfully ignored the exclusive national rights of the Jewish People in accordance with **international law**, as decided by unanimous vote of the members of the League of Nations through the (1920) San Remo Resolution. 10. The accused, collectively and individually, refuse to acknowledge and ignore the fact that the representatives of the so-called 'Palestinians' refused the partition plan known as United Nations Resolution 181. It should be noted that the resolution, having been adopted by the General Assembly, and not the Security Council only has the authority of a recommendation, and therefore, legally, the Land of Israel was left undivided as in the original Mandate of (1920). However, the refusal by the Arab countries and the Arab occupiers of the Land of Israel to recognize the partition recommendation reflected their genocidal impulse and desire to destroy the Jewish people.
